Dear Mr. Weisberg,

Let me first thank you for your scholarship, hard work, and years of dedication in regards to the Kennedy assassination.

It is amazing how many books are in the stores today about the assassination. Some are totally ridiculous, as I'm sure you know. I guess everyone wants to cash in on Oliver Stone's movie, without paying the price of scholarship.

Years ago I ordered three of your books; "Whitewash", "Whitewash II", and "Whitewash III" from some mail order catalog. I would like to purchase your other works. I know there is a "Photographic Whitewash", and "Oswald in New Orleans". Was there a "Whitewash III"? Could you please send me a price list and order form for these books. My return address is printed above.

Thank you for your assistance in this matter.

Yours Truly,

Rev. Lawrence J. Tadmatek
