

THE HSCA,  
THE ZAPRUDER FILM,  
AND THE  
SINGLE-BULLET THEORY

To Harold Weisberg,  
my old friend and colleague,  
whose prodigious and indefatigable  
efforts, and whose courageous  
determination to seek  
the truth, has earned him the  
praise and recognition of his  
fellows as the Dean of  
JFK-assassination critics.  
with warm regards & best wishes,  
Sincerely,  
Ray Marcus
