Dear Mr. Weisberg,  
I am very interested in  
obtaining your books Whitewash  
and Post Mortem.

I have seen your works  
quoted a great deal but have  
been unable to locate any copies.  
I found this address in the  
bibliography section of High Treason.  
(I was very happy!)

In closing I would like  
to thank you for trying to  
uncover the truth in the  
assassination of J.F.K.. By doing so,  
you have given the people of  
America hope & faith in the  
future.

Please let me know about  
how I can obtain copies of  
your books.

Thanks you  
Glennal
