Dear Mrs. Weisberg,

Hello. I wish to thank you very much for taking the time to mail back to me the original check that I had mailed to you for the book "Oswald In New Orleans". Even though it was not necessary, it was still very thoughtful and considerate of you. I did receive my copy of the book. Thank you for mailing it to me. Also, please thank Mr. Weisberg for me for answering my questions. As you can imagine, it is impossible to be interested in the JFK case and not get confused. I have so many questions and I knew there is only one person in this world to go to in hope of finding the answer. This person is Mr. Weisberg, of course.

Mrs. Weisberg, there is one thing that I am very inquisitive about. When Mr. Weisberg mailed the book to me back in December he also sent along with it a little note. In the note he wrote that he was working on some type of book that would be available in 1994. I was wondering if it will be on the JFK case? I can't tell you how excited I am by just the thought of this. There has been so much garbage printed in the last for years on the case, it would be great for Mr. Weisberg to set the record straight, once again! I also really hope that Mr. Weisberg responds to the noxious charges that Harrison Livingstone put forth in his book "Killing The Truth". It seems to me that because Mr. Weisberg does not believe that the so called JFK autopsy photos and x-rays are "fake", this Livingstone person has decided to stab Mr. Weisberg in the back and write bad things about him. In his other books, Livingstone had nothing but praise for Mr. Weisberg, now this ungrateful person turns on Mr. Weisberg. This is the thanks that Mr. Weisberg gets for trying to help people. All I know is that from the ^{have} "Altgens AP photo" to the "Zapruder film", everything that I learned about this case has come from reading Mr. Weisberg's books. He really is the KING OF ALL ASSASSINATION RESEARCHERS!!

When this book becomes available, will you be selling it? If so, I can't wait to order it.

Thank you for reading my letter and best wishes always to you and Mr. Weisberg.

Sincerely,

Neil Gottlieb
