Dear Mr. Weisberg:

I was able to obtain a copy of your book "Whitewash-the report on the Warren Report" from a used book dealer in Anchorage, Alaska, in January of this year. I found it very informative. It is my understanding that additional books written by you can be purchased direct. I would like to have information as to the titles of these books and the cost.

I have always been interested in finding out the truth about President Kennedy's assassination. I went to Dallas for the 30th Anniversary commemorating Dealey Plaza as a historical landmark, and plan to attend the Symposium this coming November.

You are to be commended for your untiring efforts in bringing the truth forward.

Yours sincerely,
