Dear Mr WEISBERG,

First, thank you for writing "Case Open," and exposing the fraudulent claims of Gerald POSNER. It certainly is nice to know that someone as knowledgeable as yourself is willing to put your reputation on the line after all these years and tell the truth.

Secondly, please send me a price list of your other works pertaining to the JFK assassination. I am writing from Mississauga, Ontario (just west of Toronto), and would appreciate it if you would indicate handling fees and how long orders usually take to process.

It may surprise you to know that a large number of Canadians are still very interested in the JFK Assassination. Most anyone I know who was alive at the time, can remember where they were, and what they were doing on November the 22nd, 1963 at 12:30 PM.

Thanks again Mr. WEISBERG, you have done us all proud.

Yours sincerely,
