Dear Mr. Durham,

Please ~~excuse~~² the brevity of this response to your 3/8. I'm past 81, not well, and this has been a difficult day.

I do appreciate your letter and many others like it. Thanks.

I wish I knew where to suggest you submit your novel.

It should have a better chance of getting publisher interest than nonfiction on this subject.

I enclose a little ⁴ info on my coming book.

Thanks and good luck!
