Dear Mr. Weisberg,

I have just completed reading the book "High Treason," and I am appalled about the unknown facts concerning the John F. Kennedy assassination.

In the Bibliography, certain books were mentioned as very crucial reading. I'm interested in knowing how to obtain and the prices for the following books. I certainly hope that you may be of some assistance.

- 1 Whitewash, Vols. 1-4
- 2 Oswald in New Orleans, Subtitle The CASE FOR CONSPIRACY WITH THE CIA
- 3 POST-MORTEM

Sincerely yours,  
William Vaughn
