GENERAL COUNSEL OF SELECTIVE SERVICE

May 9, 1973

Dear Mr. Weisberg,

I received your letter of May 4 in which you ask me to identify the file in the General Counsel's office of the Department of Defense dealing with your claim. You also ask to meet with me on the 15th or 24th of May.

As I believe I stated in the past, when I departed the Office of the General Counsel, Department of Defense, over seven years ago, I did not take any office files with me. As I recall, there was at that time a specific file in the office of the Assistant General Counsel (Logistics) bearing your name. Additionally, there were files under the topics of the "Federal Aviation Administration" and "Sonic Boom Claims" which may have contained material dealing with your claim.

I shall be happy to meet with you further on this matter and find that the 24th of May would be a more preferable date since I already have three meetings scheduled for the 15th.

Sincerely,

Walter H. Morse
General Counsel
