Dear Mr. Morse:

At the request of Mr. Harold Weisberg, I enclose herewith a copy of a Government motion limiting Mr. Weisberg's claim due to the statute of limitations.

As you are probably aware from your conversations with Mr. Weisberg a couple of weeks ago, we are looking for evidence that the Government indicated to Mr. Weisberg that the filing of claims under the Military Claims Act would toll the statute of limitations, not only under the Military Claims Act but under the Federal Tort Claims Act.

I would be most appreciative for any cooperation in this matter.

Very truly yours,

Harvey R. Clapp, III

HRC,III:bjw

Enclosure.

cc: Mr. Harold Weisberg
