TYPE OF CASE Protective Research	STATUS Continued	TITLE OR CAPTION Lee Harvey Oswald Assassination of President Kennedy
INVESTIGATION MADE AT New Orleans, La.	PERIOD COVERED December 19-27, 1963	gmk
INVESTIGATION MADE BY SA Anthony E. Gerrets and SAIC John W. Rice		

DETAILS

SYNOPSIS

Copies of records obtained from P. G. Beauregard Junior High School and Warren Easton High School, New Orleans. Effort is being made to ascertain additional background information developed by the Federal Bureau of Investigation, New Orleans.

DETAILS OF INVESTIGATION

Reference is made to report dated 12/12/63 by SA Gary E. Seale, Dallas, requesting additional background information on Lee Harvey Oswald, to be reported to Protective Research Section, attention of Inspector Kelley.

It will be noted in report dated 12/6/63 by SA Roger D. Counts that the records of the FBI, New Orleans, disclosed that Oswald was enrolled at P. G. Beauregard Junior High School, 4621 Canal St., New Orleans, from 1/1/54 until the end of the term in June, 1955; and that he was enrolled at Warren Easton Senior High School, 3019 Canal Street, New Orleans, from 9/8/55 until 10/11/55.

It will also be noted in SA Counts' report dated 12/17/63 that appropriate inquiries were made covering Oswald's employment in New Orleans, including Gerard F. Tujaque, Inc., 300 Sandlin Building, and the Pristerer Dental Lab Co., 227 Jeanine Street.

On 12/19/63 SA Anthony E. Gerrets contacted Mr. George Maddocks, Assistant Passport Agent, Department of State, Passport Agency, New Orleans, in an effort to ascertain the name of the ship on which Oswald sailed for Russia from New Orleans on or about 9/19/59. He advised that Oswald had been issued a passport on 6/25/63, but that it was his understanding that he had never used it. He said that the State Department Passport Office, Washington, D. C., would have the application which Oswald filed for

passport in 1959; that the port of departure and name of ship or airline should be shown on the application, but that the department does not insist that this information be shown.

Mr. Paul T. Green, Agent in Charge, Customs Agency Service, New Orleans, was contacted 12/19/63 by SA Gerrets, and he advised that no ships were being cleared from New Orleans directly for Russia in 1959, and that it is possible that Oswald departed New Orleans on a vessel going to Poland or some other country, and then proceeded to Russia by some other means. He suggested that possibly Smith and Johnson, Steamship Agents, who represent the Brovig Line at New Orleans, which firm operates Norwegian tankers out of New Orleans, could furnish some information of value regarding Oswald in the event he did leave for Russia via the port of New Orleans.

Mr. Robert Troclair, Assistant Manager, Smith & Johnson, Inc., National Bank of Commerce Building, New Orleans, was contacted by SA Gerrets on 12/19/63. He advised that the Motor Tanker "ANDREA BROVIG" sailed from New Orleans on 9/20/59 for Leghorn, Italy, but that his office here has no record of anyone signing on as a crewman aboard this vessel while in New Orleans. He said he had no record of any passengers aboard the vessel on the mentioned voyage, and expressed doubt that there were any passengers.

Mr. Patrick E. Duvall, Investigator, U. S. Immigration and Naturalization Service, New Orleans, was contacted by SA Gerrets on 12/19/63, and he advised that in the event Oswald left New Orleans aboard the "ANDREA BROVIG" on 9/20/59, either as a passenger or as a crew member, such information would be on file with the I&NS, District Director, Verification Center, New York, N. Y.

On 12/20/63 SA Gerrets obtained from the P. G. Beauregard Junior High School, New Orleans, a total of 12 office record cards (duplicates), reflecting Oswald's grades, attendance, etc., for the school sessions 1953-54 and 1954-55. These cards are being furnished the Protective Research Section with this report.

Also on 12/20/63 SA Gerrets obtained from Warren Easton Senior High School, New Orleans, the complete file covering subject's attendance at P. G. Beauregard Junior High and the Warren Easton Senior High School. Photostatic copies were made of all these records and same are being furnished PIS with this report. It will be noted that all the records pertain to attendance at Beauregard Junior High School, except Form No. 71-3500-8-55, which indicates that he enrolled at Warren Easton Senior High on 9/8/55 and left on 10/14/55. The records at the junior high school were transferred to Warren Easton Senior High.

Inquiry by SA Gerrets on 12/19/63 of Mr. Edwin Greve, Administrator, Bethlehem Welfare Association, 9109 Grant St., New Orleans, disclosed that all records pertaining to Oswald were turned over to the FBI several weeks ago. No information of value was obtained from Mr. Greve.

On 12/27/63 SAIC Rice contacted SAIC Harry G. Maynor, Federal Bureau of Investigation, New Orleans, who advised that he believed his office had ascertained the name of the ship on which Oswald sailed to Russia. He said he would check this matter. 719

UNDEVELOPED LEADS
