"Nov 26. 1959

"Dear Robert

"I shall begin by answerign your question on why I and my fellow workers and communist's would like to see the present capitalist government of the U.S. overthrown.

"Do you remember the time you told me about the efforts of your milk company to form a union? Try to see why workers must form unions against their employers in the U.S. It is because the government supports an economic system which exploits all its workers, a system based upon credit which gives rise to the never ending cycle of depression, inflation, unlimited speculation (which is the phase America is in now) and war. In this system art, culture, and the spirit of man are subjected to commercial enterpraising, religion and education are used as a tool to surpress what would otherwise be a population questioning their government's unfair economic system and plans for war. Science is neglected unless it can be directly used in making war or producing more profit for the owners of business's - these are some of the reasons. Look around you, and look at yourself. See the Segregation, See the unemployed and what automa^{tion} is, remember how you were laided off at convair?

"I remember well the days we stood off-shore at Indonesia waiting to surpress yet another population, when they were having a revolution there in Mar. 1958. I can still see Japan and the Phillipines and their puppet governments - more important I can see the American in uniforms Men who were there because they were drafted or because they were adventursom or unemployed in civilian life. I will ask you a question Robert, what do you support the American government for? What is the Ideal you put forward? Do not say "freedom" because freedom is a word used

(continued)

by all peoples through all of time. Ask me and I will tell you I fight for communism, this word brings to your mind slaves or injustice, this is because of American propaganda, look this word up in the dictionary or better still, read the book which I first read when I was 15, "CAPITAL", which contains economic theorys and most important the "Communist Manifesto."

"I will not say your grandchildren will live under communism, look for yourself at history, look at a world map! America is a dieing country, I do not wish to be a part of it, nor do I ever again wish to be used as a tool in its military agressions.

"This should answer your question, and also give you a glimpse of my way of thinking.

"So you speak of advantages. Do you think that is why I am here? For personal, material advantages? Happiness is not based on oneself, it does not consist of a small home, of taking and getting, Happiness is taking part in the struggle, where there is no borderline between one's own personal world, and the world in general I never believed I would find more material advantages at this stage of development in the Soviet Union than I might of had in the U.S.

"When I talked to a reporter I gave most of my reasons, however the story I found out later was badly slanted and left out my real reasons, the reporter was interested only in a colorful story. I have been a pro-communist for years and yet I have never met a communist, instead I kept silent and observed, and what I observed plus my Marxist learning brought me here to the Soviet Union. I have always considered this country to be my own.

"I left you out of the matter because I did not want to get you into any sort of trouble because of me, also this decision is one which I only could make and you would not have been able to understand me.

(continued)

"You probably know little about this country. I will tell you about it. I did find, as I suspected I would, that most of what is written about the Soviet Union in America is for the better part fabrication. The people here have a seven hour work day now and only work till three o'clock on Saturdays with Sundays off. they have socializism which means they do not pay for their apartments or for medical care the money for these comes from the profit they help to create in their labor, which in the U.S. goes to capitailist. here in Moscow there is a housing shortage because of the war but its not bad now there is no unemployment here and in fact a slight shortage of manpower even with a 250,000,000 population this is because this country is building at a pace which will put it first in all fields of endeavor in 15 years. Most important is the fact they do not work for employers at all, a milkmen or a factory supervisor are both socialy equal, this does not mean they have the same salery of course, this just means that their work goes for the common good of all.

"These people are a good, warm, alive people These people would never think of war, they wish to see all peoples live in peace but at the same time they wish to see the economicly enslaved people of the west free, they belive in their Ideal and they support their government and country to the full limit.

"You say you have not renounced me, good I am glad, but I will tell you on what terms I want this arrangement.

"I want you to understand what I say now, I do not say lightly, or unknowingly, since I have been in the military as you know, and I know what war is like.

"1. In the event of war I would kill any American who put a uniform on in defence of the American government - any American

"2. That in my own mind I have no attachments of any kind in the U.S.

"3. That I want to, and I shall, live a normal happy and peaceful life here in the Soviet Union for the rest of my life.

"4. That my mother and you are (in spite of what the newspaper said) not objects of affection, but only examples of workers in the U.S.

"You should not try to remember me in any way I used to be, since I am only now showing you how I am. I am not all bitterness or hate, I come here only to find freedom, In truth, I feel I am at last with my own people. but do not let me give you the impression I am on another world, these people are so much like Americans and people the world

over. they simply have an economic system and the Ideal of Communism which the U.S. does not have. I could never have been personally happy in the U.S.

" I wish you would do me a favor since that other bad newspaper story went over I have been thinking I would like to give people, who are interested the real reasons. If you would, give the contents of this letter (except that which is for your benefit) to some reporter, it will clarify my situation, use your own judgement, however.

I will be moving from this hotel, and so you need not write me here. I have chosen to remove all ties with my past, so I will not write again, nor do I wish you to try and contact me, I'm sure you understand that I would not like to receive correspondence from people in the country which I fled. The Russians can be cruel
and very cruel at times. They give
a cruel explanation to my wife

they say they and read the

But we shall continue to try and

As for your postage we never

Dear Robert,

Well, I've been a month or
more since I've written and also a
long time since I've heard from you.

Our deal about the split
Union is still going on, something
is holding it up, mostly about
my wife since she is a Soviet
citizen, but as I see, it's hard
to get out of this place, in general.

Maria is in the city of "KHIOB,"
about 600 miles south east of Minsk,
on her vacation, she's living with
her aunt, we both agreed a change
of scenery was good for her, she
comes back on the 1st of November.

From "KHIOB" she sent me
a beautiful gold and silver cup
with the inscription "To my Dear
Husband on his birthday 10/15/61"

Very nice, huh? She is sweet.

487

25

842
XV

When is your birthday anyway
sometime in July isn't it?
How are the kids?

How is Valia doing?
Did you get my last letter with some
pictures of Masha in it?

I think around New Year, if
I'm still unshaky enough to be around
here, I'll call you on the telephone
ok?

How is the hunting out at the
farm? Still good & hot.

I got a letter from the Embassy
the other day, they are keeping in
touch as to developments with
the exit visa.

From on Nov. 28 the big
revolutionary holidays will come off.
They'll be a lot of red flag waving
and fireworks like on the 4th of July
in the States.

Well, that's about all for now. Write
your brother, too. Love

We sent you a package with

the color books for Cathy. The package
may be a little late you may not get

We still haven't received any

If you like, you can send me a

deflate it and send it to me like a letter.
also you can pick up a few designs of ^{things}

will show them a little bit of american

Our deal about the wisser is not
getting any better, and I think about
next year, I'll fly into Moscow, and
go to the Embassy about it.

As time goes on, our complaints, and
their inactivity, will bring things to a
head, and one side or the other will
break.

We sent you a can of a kind
of Russian candy, called "KAMIVA", its
made from grain and sugar, so when
you'll open the package you'll know
its candy, I eat alot of it, if you
all like it, will send some more.

Will read all this on about Dec 1
so you should receive it about
Christmas (I hope).

This makes you an Uncle,
Congratulations!

The chances of our coming

as I already told you, we received

the country at any time. But
there are still formalities concerning
marina's entrance visa into the
U.S. These are granted by the
U.S. government, and they have

assured me they are getting all the papers together (they are quite old) and certified accepted.

How are things at your end?

I heard over the voice of america that they released Powers to the U.S. spy plane fellow. That's big news where you are. I suppose he seemed to be a nice, bright, American-type fellow, when I saw him in Moscow.

You wouldn't have any clippings from the Nov. 1958 newspapers of that worth, would you?

I am beginning to get interested in just what they did say about me and my trip here.

The information might come in handy when I get back. I would hate to come back completely unprepared.

The American Embassy in Moscow has offered us a loan to pay for the price of the airline

tickets, so we have nothing to
worry about temporary along that
line.

Have you heard from Picat
all, what's he doing now? still in
the air force do you know?
Well, I guess that's all
for now.

P.S. I received a letter from you

Dear Robert.

Received a letter from you
not too long ago dated Feb. 8.
I suppose by now you've received
my letter telling about the birth of
my daughter, on Feb. 15th only in that
letter I said her name would be
June Marina Oswald but we finally
registered her as June Lee Oswald
so that's that.

Thanks alot for your offer

Dear Robert

Today I received your letter of
Nov. 29. I

First of all, I can confirm
what you thought about some
of your letters; I did not receive
any letter with "certain" questions.
It's quite possible they destroyed
it.

Did you get my letter about how
they took down the statue of Stalin?
Oh, as you say, we hope the crisis
come through.

I got a package of books and
magazines today from Mother. It's very
interesting to read some of the
articles in "Time" about life and politics
in the U.S.S.R. Most of the stories are
wrong; they are too uninformed.
I hope you get our little

487

packages by Christmas. Maria worked
on those table napkins for Vada for
two weeks.

at the post office they did not
allow me to send some "KUKUA" (candy)
they said it was "produce".

It's mighty cold here, about 10°
below zero, as far as I can tell.

The snow is covered with
snow, but the pine trees stand out green.
The river near our apartment house
is frozen now. We have a very good
view from our first floor window.

Well, that's about all for now.
Maria sends her love, keep writing.

Not too long ago I received a letter from mother, but I lost the address. I would like you send it to me if you write.

She has a small plant near factory and are being nicely maintained. I have found the living conditions here to be good but there is a lot of things still to be done. I hope to send you something soon here if you like. The Soviet Union is one of the most interesting things I have seen in my travels. I should try to visit in some time. Some times meet American tourists especially in the summer.

Well that about all for now ... to hear from you soon.

Dear Robert,

May 5, 1946

It has been a long time since I have written you, more than a year, a lot has happened in that time.

I am now living in the city of Minsk which is located about 70 miles S.W. of Moscow. Minsk is the capital city of the Soviet State of Belorussia.

I shall have been living here already a year and three months. I came to live in Minsk after I wrote my last letter to you. I have been working at the local radio-television plant as a metal-writh.

On April 30 of this year, I got married. My wife is nineteen years old, she was born in the city of Steningrad, which is the second largest city in the U.S.S.R., her parents are dead and she was living with her aunt and uncle here in Minsk when I first met her.

Dear Robert

Well, apparently I was too optimistic in my last letter, since you say you thought I would be coming so soon.

The Russians are holding me up, and are giving me some trouble about the visas, so for now I can only wait. In general for an ordinary Russian, it's impossible to leave the USSR, simply because he wants to. However, I and my wife have the possibility because of the fact I am still an American citizen and have the U.S. passport.

My Russian documents are good only until Jan. 4, 1962, therefore you can expect that they will let me go before that date, since I will not extend the length of time on these documents after Jan. 4, 1962.

however, the Russians have been known
to hold people, against international
law, and against their wills,
but as I say, "time will show".

Maria did not write that letter
herself, but the words were hers.
I only translated them into English.
Maria doesn't know any English
at all, and at home we always
speak Russian.

Robert Leo sounds like he
is growing into a fine boy and
Cathy is also quite a grown up
little lady, all right 4 years old,
It hardly seems possible, I
remember when Masha phoned me
to say she was born, on Aug 22nd or 23rd,
I was in Calif, we were getting
ready to leave for Japan, and we
didn't leave a few days ~~later~~ later.
A lot has changed since then!!
Well I hope everything is alright

and your lock isn't giving you
any more trouble. keep writing

Dear Robert,

Well, I haven't heard from you for quite awhile either you're not writing or your letters aren't getting through to me.

I told you in my last letter that we have finally been granted exit visas for leaving the Soviet Union. We probably be in the states in the spring.

You once said that you asked around about whether or not the U.S. government had any charges against me, you said at that time "no"; maybe you should ask around again, it's possible now that the government knows in coming they'll have something waiting. Mother wrote me a letter the other day in which she informed me that the Marine Corps had given me a dishonorable discharge in 1959.

Well, I've been told that we'll get our visas about the 15th of February if everything goes quickly.

If we do get our visas we should arrive in the U.S. before the 15th of March. All of this of course may change anyway. We should like it to change.

We spent the New Year at some friends place, I had wanted to call you on New Years Eve, but since they are going to visit our visas soon I thought I'd wait a month or so and maybe we'll get to see each other.

pictures of Jr?

Well, you get all my letters,
they have a lot of seasonal here.

I went hunting last
week and, we have a lot of pine
forest here, I shot a couple
of birds with my single barrel
16 gauge shotgun, but I couldn't
find them.

The weather is pleasantly sunny
to winter here, the autumn is

is very short in Michigan.
I secured a package from
mother a few days ago. We sent
me a mug and penmanship com
of stationery cream (which is better
for Jr) and a lot of stationery.
He is real good to me
now. Well, that's all for
this, write often, love to kids and
see
