

Ladies and Gentlemen, we have a **PROBLEM** that needs our undivided attention:

"Since INTELLIGENCE AGENCIES are by definition in the business of LYING and DISINFORMATION, how do we know that the misdeeds of the Hoover era have STOPPED?"

-VICTOR NAVASKY

We'll Sir, they **HAVEN'T!**

Corroborating Fact #1: "Some individuals may think COINTELPRO is all part of the secret police game of intelligence work. IT IS NOT! It is a THREAT TO OUR FREEDOM when a police agency in a democracy takes it upon itself to be judge and jury and to decide who should be fired from a job or what newspaper should go out of business...COINTELPRO is the FBI code word for an unconscionable program that was officially in operation and documented on paper from August 1956 to April 1971. The program IS STILL IN OPERATION TODAY, but under a DIFFERENT CODE NAME.

A clear example of the FBI's CONTINUED COINTELPRO is in the FBI's alleged involvement in the 1990 BOMBING OF THE VEHICLE occupied by Judy Bari and Darryl Cherney. Both Judy Bari and Darryl Cherney are key organizing members of the radical environmental organization 'Earth First' and were on their way to an important organizational meeting when THEIR CAR EXPLODED, leaving JUDY CONFINED TO A WHEELCHAIR. A congressional probe is underway concerning the FBI's possible involvement in the bombing, which was an EFFORT BY THE FBI TO NEUTRALIZE JUDY BARI. The case is currently in the courts."

- FBI SECRETS, AN AGENTS EXPOSÉ, M. WESLEY SWEARINGEN

Corroborating Fact #2: "The FBI (and LAPD) have alleged that Matthew N. Stuparyk did commit the crime of rape and three other charges on August 11, 1993 in the city of Los Angeles, when they had knowledge that I was in the city of Scarborough, Ontario, Canada, on this particular day! The FBI DELIBERATELY FABRICATED THESE CHARGES (some of which Federal) to set the foundation for Operation COINTELPRO (the 90's version)"

- MATTHEW STUPARYK

Corroborating Fact #3: "...day to day corruption and subversion of democratic values that has permeated our national police since its inception, and which CONTINUES TO THIS DAY."

- WILLIAM H. SCHAAP, CO-FOUNDER, COVERTACTION QUARTERLY

Correlating Logic: "Those who forget the past are condemned to repeat it!"

-AMERICAN PHILOSOPHER, GEORGE SANTAYANA

They've only become more **CLANDESTINE** in nature!

Corroborating Fact #1: "Very few citizens know THE EXTENT TO WHICH THE FBI has gone to control our society."

- FBI SECRETS, AN AGENTS EXPOSÉ, M. WESLEY SWEARINGEN

Corroborating Fact #2: "How many writers were adversely affected by the FBI's power of suspicion...How can it ever be accurately measured? Our best gauge is the subjective experience of the writers themselves, who are the witnesses to this extraordinary aberration in a democratic society. There was sometimes very little visible effect. Most of THE DAMAGE WAS INVISIBLE."

-ALIEN INK, THE FBI'S WAR ON FREEDOM OF EXPRESSION, NATALIE ROBINS

Corroborating Fact #3: "From the recital of words (acquired through surveillance) by instructors at teaching facility's, PLAYING OF CERTAIN SONGS at tanning salons, summoning of police, fire, and other emergency vehicles complete with sirens functional to neighboring establishments you visit, to the USE OF CONDOMINIUM SURVEILLANCE EQUIPMENT to stage very, very, DISCRETE AND OBSCURE events."

-MATTHEW STUPARYK

Correlating Logic: "Something deeply hidden had to be BEHIND THINGS"

-ALBERT EINSTEIN
