Mr. Robert Wohlforth, Secretary Sub-Committee of the Committee . on Education and Labor under S. R. 266 Room 247-C Senate Office Building Washington, D. G.

Dear Mr. Wohlforth:

## Res Burns

A shock with the Fost Office shows that only one box is remted by the Burns Agency and that is Box 665. Others who receive mail there are:

> L. H. Jackson M. V. Pahy M. V. Vincent

Home of the feregoing individuals are listed in the City Directory.

The Burns organisation in the past has furnished more industrial guards in this locality than any other group. As pointed out in my memorandum sent you pesterday relative to the Scattle situation, Burns has been cooperating with the Industrial Council.

The chief competitor of Burns is now A. O. "Tanker" Smith whom, I believe, is furnishing most of the men for the waterfront situation at the present time.

Mr. Howard will go to Portland the latter part of this week and open up the Burns files there. As seen as possible, Howard or I will go to Spalame and open up the Spalame Office. I believe we will gain considerable knowledge about Burns when and if an investigation is made of the Washington Industrial Council and from the firms who have employed Burns.

Yours truly,

B. J. Ragon, Investigator Senate Sub-Committee of Committee on Education and Labor
