Friday - I think

Honey - Just a note in a hurry  
to wish you the best of everything  
on the New Year. I had hoped to  
go to the Service Club & type  
letters to you & Marc, but it's  
raining, I have a heavy cold I  
want to go to bed. One of the  
fellows hopes to go to N.Y. to-  
morrow, & if he does he'll wait  
for him. Take care of yourself, honey,  
& give my regards to New  
Year wishes to you folks. I  
don't miss you. If they don't  
ship me soon I'll be able to get  
a 36 hour pass (except in 7 mine  
days. Love. (Parrot)
