Henry

Friday night

I have and am disturbed by
your letter. There is much about
the situation that has a strange,
unbelievable ring to it - yet there
is no doubting its seriousness & its
importance. If the facts are exactly
as you represent them, this is a
very, very, dirty piece of business.
I wish there were something I
could do about it, but I don't
know a see what I can do. That
some you named have made the
decision you report doesn't
surprise me. I knew of that
some time ago. Yet for others I
can find neither justification
nor excuse. I hope to clear up.

Many times before M. has sworn
oath & holy oaths. Many times
before they came to nothing.
Many times before he has been
dealt with very shabbily. In
this case I think there is a
greed & greed even. Let the
rest wait around I get there
tomorrow - I hope!

I couldn't not make out a
key word in your medical
report, but the rest is about
other than I expected.

About the facts: I think we
might be able to make something
out. I wish you had had the
M. N. you expected me this weekend.
It might have caused some trouble.

As I said, I'm glad Hank is
back. I ~~hope~~^{wish} we can sup
with him sometime, but he
won't be there. M. likes him
quite a bit.

Please give my regards
to Helen, too.

Well, there is only tomorrow
left to handle. M. make it
the best this year with my

Love
Hank
