

Honey - The strangest thing happened 4/20/42 - 8:30 a.m.
to us this morning at about 1:20 when we
arrived. We were met by a nice band!
actually... But this morning the show
arrangement broke down & we wanted 1 1/2 hrs. I have
spoken to the C.O. about being switched to the
Trenton group, which will enable me to get home for the
regular treatments. He has assured me he will see
what he can do & will (this is very unusual & very
precious) look me up as soon as he can speak to his
bro... today is beautiful & mild... see C.O. first at this
a.m. that we are to have a 13 wk. fasin in 4 wks!
That is good. It is now 9:30 & time to pack in and
help clean the barracks. Add to the address "1300 17th 2nd Plat."
Love - and let write you as soon as I can. Regards to
all. Harold
