

Jimmy - just a note at the

MESSAGE THIS SIDE 4/23/43

end of a tiring day. None of the mail that probably has been forwarded has reached me, but I suppose it will in a day or so. Today, after using my best stamps on the letter I airmailed, I tried to get to the post office (which is not in my company area) to get some stamps, but I couldn't get there in time. A, will you please send me a book of airmails, a 6 cent book of 30. Thanks. About that time

Case: I couldn't get a
phone last night or
tonight, so I've been
try some time when it's
possible to get into a
bath. If I know
when there might be
baths, I might make
some suggestions, but then
there would be any. Love H.
