Honey -

I have a few minutes before
retreat because I did a fast
job of changing uniforms. Note
the new address on the envelope.

News for I am a success.
I am "acting squad leader" and
was commended by the platoon
Sgt. & by the lieutenant, who
referred to my execution of a
command as "smart" & "military".

News the good news from
popa. The bad news is that I had
a lot of back trouble today &
was standing still too
much. I was okay when we
worked around. Funny,

is it? And my feet
hurt - but the hurt of
today is from not drilling.
I'm rusty from 2 months
of not drilling. And
after let me get him off
in the day - to try & get
as settled as I can without
a foot locker. And there are
many fellows here I know. I'd
like to see them. To this is
a shoe locker - at least for
the moment.

How are you?

Regards to the Mrs.

Love
