

5/27/43

It's a beautiful morning, sun. at
almost 6:30 the sun is up &
has walked its way almost
into my eyes. Its going to be
a wonderful day, except for
the typical F-7 Ontario
weather changes.

I got evening I walked a bit
at the Pk. When I got the Sunday
P.M. I have asked you to get
I'd a T.G. to get for me. what I
wanted is enclosed / several days
ago I saw a clipping from my
interesting. This Reply story. If
it is not too much trouble, will
you please read it? Thanks.

As I was saying I stalled
down to the Pk. that my left
Pnee not been working and
would have walked a while. It

was very nice. Really enjoyed
the weather for a change.

Well, dear, there is one additional
item of news I just got from someone
who looks as though he's trustworthy.
My name has been flagged with a
note saying I am to be shipped as
close to Washington as possible.

And for that I'm deeply grateful, and
thank you for the consideration I have been
given & that I didn't expect to get. But
we continue to hope.

I may have to break off soon. The
men are shipping with their blankets.
This means that I have to take
every man from B2, the Army, under
clothing & equipment charge, and
charge him with 2 blankets. At the
same time I have to "see him" the
rest of the form so that, when he
signs it, he cannot be charged with
any other items. I have just finished

are the farms when they
hounded back for this job.

Last night, while in the BX,
I notice a copy of picture
Strip W.S. Our agreement was
that they would pay me the
balance of the \$1500 they owe
me, comprising to \$325.00, if &
when they published, again or if
& when they got a P.O. entry.

So, they owe me \$325.00.

I wrote Al. W. about it last night.

If you send you a copy of P.S.,
please hang onto it. I may need it.

I saw you some more chords
yesterday. Let me know if they
get there. And let me know if
& when you get that flood of mail
as you lose someplace along the way.

Now the sun is in my eyes,
and I know we have to get
to work.

I send you a clipping of
on the Post the debate from the
Olympic paper. I saw the same
(A.P.) story in the NY Herald
Tribune yesterday, except for an
additance paragraph of my
importance and a quotation from
Maui's speech. My point is
that Maui is the only Congressman
~~there~~ given a good play in the
whole story. The boys gave him a
week for a change. How was the
coverage elsewhere? And ask them to
please send me the debate - no,
you get an extra copy of the Record
through him to take the debate out
of my copy & mail it to me. Thanks
love Howard.
