Dear - I have just
returned

6/29/43

Service Club

Wann
pleasure trip to
Vesp. To gain

The Ft. Rye
tomorrow. This

a. m. This was no visible discharge
but I finally "milked" enough
to make a microscopic examina-
tion so was again negative. As it
appears, is no trouble.

This a. m. I got the letter
you sent me last Monday, at 4th from
Frank, with clips

As I told you, I have also
received your letter of 24/15
Guthrie's letter I answered it.

By the way, both of us
forgot to have me read the CSC
statement. I'm sorry about it.
I should have liked to have read it,

but from what you said there is
nothing to worry about.

The pen apparently was
filled up. I haven't tried espe-
cially, but the man is supposed
to have filled it & it ran
my this a.m. Then I filled
it again and now it is dry
again. Maybe you had better
send me the other one right
away so I can have a pen. I feel
we will have pen in a day or
2.

While waiting for the
truck to take me to RY
this a.m. I wrote Willie B &
told him. Otto told me gas
charge is a lot, & suggested if
he wants Mings' B. couldn't get in

H. Town maybe it would be
better if the Service Club asked you
to get them + you could speak to B
Alan then by plan if nec-
essary.

As you will see, I got
the receipt & answer from
P.S. As soon as I can find
a type writer someplace I'm
going to write M almost I
ask him to get someone from
his office call them up.
Please hang onto the letter &
receipt & attach the receipt
to the letter.

I sat right down to the
"Y" & took a screen, then,
with some of the boys, I went

To see Petaan we also
enjoyed it.

Now I'm going to try
I was the best in class
15 minutes, before we have
afternoon promotion.

Love,

Harold.

A.S. - No letters today, yet.

Apparently
I was wrong
about this pen
filling. We had
some time off
this p.m. I

Service Club

U. S. ARMY

got some ink & tried it. It filled okay.
It does seem the other pen.

Enclosed are some V mail forms. I
sent B. a dozen.

I got your letter #1 this p.m.

And it sure was more convenient
being able to remove the clips one by
one.

As for as the medical situation is
concerned you are up to date.

Okay in the schneiderman decision.
Just hold it when you get it.

I haven't had a chance to read
the reputation you sent me. Josh -
I have lost it! So, hold on to your
copy & I'll read it when I get back.
However, it is clear the language of
the book is misleading. There appears
to be no reason for mentioning it to M.

I wish I knew what to tell you
about your coming up here. To you

Know, I'd like very much to spend
an evening with you before I go.

But I have no way of knowing
if I'll be here when you get here. And
until the late afternoon we don't
know if we are getting out. If any
of the many men who have been
lodging the prisoners gets caught
again, we will be completely
restricted. Not say. And whether or
not I should do anything, now with
this trouble, is also a question. Please
all these points so you can decide
whether or not to come up. How you may
again say you want me to tell you. But
I don't think it would be fair if I did.

By probably call you tomorrow night,
if I have any news. My punch is
made go Thursday or Friday.

And now I'm going for my
nocturnal swim.

I am
