Dear - I am hopeful of
having this mailed by
Airmail. I am now in front of news,
and hope to find Henry. I thought
for a while that I'd be able
to come up on a 24 hour pass.

But the postbox now
brings us to newspaper news.

Some the question: Do I
want while I am in
to do N. news? I can
go today, because I can
in general, I don't know
for sure when I can get
off. If we could help, if
there it would be easy to
make an arrangement.

of I can do here
I mean well you &
make any arrangements
I can live you
& help get together
with you. So now
is not certain whether
we are going back or
another trip or not, but
we do hope we want.

I also notice that under

2 new Army regulations
on flights & air change.

They are in circulars 161 & 174,

dated 7/13 & 7/31 of this

year. It is up to the commander
of each outfit whether or not

limited service men
are returned. I have

read by Wisclean, & I
deems to me poor, unless
my report is ~~the~~ arbitrary
I will have a discharge
if I ~~can~~ get back to
my report. Whom
might like to hear these
miscellaneous.

Wisclean, Jim writing
this in a hurry to
show me of the men
going in can perhaps
meet it.
