

UNITED STATES ARMY

Henry - Have a few Tuesday  
minutes before chow so I  
thought I'd start a letter  
to you. It is just about time  
for mail call, & I may have to drop  
it at any minute... Today is a tough  
one here so showed yesterday, froze  
over night & we have walked  
quite a bit. The ground is so rough we  
all have tired ankles. But, as usual,  
I have no complaint with the  
weather, though it is a little  
I am getting so actually like  
this old. But boy is walking a  
jerk!... I don't know what to  
do about the typewriter. It's like  
to have it so it would be so tough  
reading my letters. At the same  
time it will be a nuisance.  
What do you think? And  
have you taken the pen back to

27. The stop? This one writes okay,

but otherwise looks a little. I can get along with it, though... Here is the mail call... and no mail from you. So you have been busy, or up the country for the weekend. If so, how are they? all okay, I hope. Your ma told me Tom W. was not so well. I hope his father. It's very close to show time, and I'd better suspend & get worked up for it. I'll write more later if I have time or anything to say.

Love

Harold
