Service Club

U. S. ARMY

Later Sunday.

your various
letters. Let begin
with the last &
go backwards,
until they leave.

Of course, Sir, glad Max is
taking his "defeat" that way. But
I persist, it's no defeat. It
has been, & depending on
what he does, will be a
victory for him. Re: his
insulin. Sir, sure he took
it with him. You may
recall that I looked for it
last Sunday when I was
home (seems like a hell of
a lot more than a week) &
it wasn't there. If it is
found, please find a place
where he can always find it.
Also, when he is there
please put it in a pot of
water, to boil at least ~~for~~

you have, and it will be
ready for his use when he
arrives. Otherwise, he is
likely to use only alcohol,
which really is not safe.

Re the Tuesday party:
quite a business. Saw Tom
at it, but it has happened
before, and the times I noticed
it & tried to do something
about it 1) he refused to have
anything done about it; 2)
it was his idea. By the
way, several weeks ago
Lido Bello was denounced
by Valenti & La Parda. I
saw it in one of the Digests
enclosed. I think he should

3/ show some of his evidence of
not being a favorite to the
American Jewish Service Club
Congress, having  ruin at the
the picnic with  time, and
and I think such a restric- they likely
tion would help him. will retract.

The story about the Venlas
is interesting

Re: Bell. I wrote him a
lot of things a card today. It
seems like the better thing to
do. I hope it works out
the way you want it to.
By this time you should
have received the state-
ment for the storage Co.

Bell's idea is a curious
one. It doesn't walk out
quite the way that

7) I'm sorry about the twist.
The M-A thing is talking,
but that may prompt it
to work its way out soon.
God, I hope it does.

How is Sid, & what
is his status? About

Allen: I have written
him 3 times (3rd today) &
have had no answer.

I wonder what has
happened to him.

Tell Sid where I am.
Also, I wrote Bob at
OPA - but it may
not get to him. So you
can give him the address, too.

5.4 game of "Thursday", post marked
the 12th. Almost Service Club 73587 on
Ed "Entered" in person. About Re 7500 +
Miranda - phone about the
call package at U.S. ARMY letters.

Oh yes, I want to tell
you - your Mo is
wondered about not
having heard from Ed.
Jim curious too.

Sat. 1/16: Nothing to
discuss.

Friday 1/15: Thanks for the
clipping. They were interest-
ing. Oh, remembering
home. I have send the
Bob + Li's address so I can
send them a card.

Well the holidays are
up to date on our end.

6) After writing you this a.m.
I also wrote to (most loving
members of my family): you
ma, Buck, Belle, Dolly,
Will Lloyd, Joe & Helen,
~~all~~ Al & Helen! I'm
going to drop. I got a
card, too. I have on
a writer's camp. Some
of the boys are going to
well in their work
& they'll mail this.

Well, remember me to
Maie (I wrote a card
to Jimmy). Oh, yes, next time
you send me a jock, please
include the sponge from the
can of saddle soap & the dumber
brush marked "B." Love
Wood
