Friday - I think

Honey - Just a note in a hurry
to wish you the best of everything
on the New Year. I had hoped to
go to the Service Club & type
letters to you & Marc, but it's
raining, I have a heavy cold I
want to go to bed. One of the
fellows hopes to go to N.Y. to-
morrow, & if he does he'll wait
for him. Take care of yourself, honey,
& give my regards & New
Year wishes to your folks. I
don't miss you. If they don't
ship me soon I'll be able to get
a 36 hour pass (except in 7 mine
days. Love. (Parrot)
