

Tuesday - 2/4

Hi Honey - Just a note  
in a rush to let you  
know I'm better than  
usual. Many of the boys  
complained after our  
day, but I felt better  
than I had after  
previous days. I thank  
pretty good. I attribute  
it to early bedding. I  
was in <sup>bed</sup> very early last  
night & asleep before  
9:30! I got a card from  
Pauline forwarded from  
Dix. Buck was well -  
same trouble. I also got a  
**IDLE GOSSIP SINKS SHIPS**  
very nice sweater from

made me, & a lady they  
bought me. I used them  
knights in a that  
walk to the TX to get  
man a birthday card &  
was very comfortable.  
How is your man? how  
when you get a chance,  
how about answering the  
questions, etc. about what  
is wrong with her. For  
your info, I didn't go  
letter from you today, to  
guess that's because you  
were up the country on the  
weekend. Oh yes, how are the  
all. As usual, I miss you  
I am looking forward to getting  
out of here and closer to you  
we should.
