Honey,

got back 20 minutes early  
because the train was as late as  
it was comfortable, and it was as  
comfortable as any I've been on - I  
was on a "reserved seat" coach. It  
had individual reclining seats, etc.  
So I'm very glad I took that train.  
Also, at long last, I have signed  
the payroll. The weather here is quite  
mild. I'm at work. I have 2 letters  
of the clip from you and a half <sup>dozen</sup> ~~dozen~~  
other letters. If I get a chance I'll  
add to this letter, if not

Love
