Dear, There is little that I can say  
 I am feeling fine & am quite happy.  
 In my last letter I asked if you  
 were continuing to take those treat-  
 ments from the doctor. I hope you  
 are & think you should. If you  
 have stopped taking them I think  
 you should start taking them  
 again. I shan't be writing for a long  
 while, perhaps, so please remember me  
 to everybody, esp. Mame & your folks, the  
 Johnnies, Bill, Lydia, & anyone who I  
 may have forgotten. For now, only  
 all my love,  
 Harry
