

Oswald did not contact the FBI for the reason on a previous occasion he had notified their office that Oswald was handing out what he assumed to be pro-communist literature in front of the International Trade Mart, New Orleans, and the FBI had given him the cold shoulder.

Coates said he had called at our office previously and had been interviewed by SAC Rice.

On 11-30-63 with Mr. Coates called at the Leon Israel Grocery Co., 300 Magazine St., City, and interviewed Mr. Milton J. Ruth, Vice President. He said on a report from the FBI and previously interviewed Mr. R. J. Joubert, Personnel Manager, concerning the alleged former employment of Oswald by this company. The records failed to show that Oswald had ever been employed there or even submitted an application. Mr. Ruth could not say if a check had been made in the name of Alek James Hidell or A. J. Hidell.

On 9-9-63, when Oswald had made application to the New Orleans Public Service for gas and electricity for 4907 Magazine St., he furnished his employer's name as Leon Israel Co., 300 Magazine St., City.

On 11-30-63 a call was made to the Malstaff Brewing Co., 2601 Gravier St., City, phone 987-171. This company does not have any records to show that Lee Harvey Oswald was ever employed there.

Mr. Coates on 11-30-63 called at 4903 Magazine St. to interview the occupants as they reside nextdoor to the apartment formerly occupied by Oswald and his wife. The occupants, Mr. & Mrs. Alex Ames, were not at home. A daughter stated they would return home later in the day and she furnished their phone number as 944-382.

Later during the day Mr. Ames was contacted by phone. He stated that the only persons he had ever seen visit Oswald was someone for radio station WJLU, New Orleans, in connection with a debate that Oswald took part in. He said an unknown woman driving a white station wagon bearing Texas plates had apparently moved Oswald and his wife into the apartment at 4907 Magazine St. He said this same woman had returned at a later date and moved Oswald's wife and child. He said that either three or four days after Oswald's wife moved, Oswald apparently moved during the night, as no one saw him after this.

Mr. Ames said this would have taken place during the latter part of September, 1963.

He said he had met Oswald on the street several times and had told him hello, but Oswald had never replied. He said that Oswald's wife was friendly and polite even though she did not speak very much English.

Mr. Ames said he and his wife had often commented that Oswald apparently did not believe in doctors or medical treatment for his wife, who was pregnant at the time, for the reason there was never any indication that his wife contacted a doctor.

Mr. Coates on 11-20-63 called at 5105 Magazine St., City, and interviewed Mr. Frank C. Cozyve, owner of a combination grocery store and bar. The bar does business under the name of Frank's Bar and the address for same is 5101 Magazine St. Mr. Cozyve stated that he recalled both Oswald and his wife. With reference to the wife, he said she seldom bought more than a loaf of bread and on occasion, she would buy one lemon.

He said on one occasion, during the day, Oswald came into the bar and asked him to turn the television set on as he wanted to watch a certain program. He said he told Oswald that he did not turn the set on in the day; that Oswald became angry and left the bar. He was unable to furnish any additional information of value.

Mr. Cogrove said that on 11-26-63 two Cubans, a man and a woman, came to his store. He said they had seen him recently on TV. He said the man remarked that he did not think Oswald was guilty of killing the President and he did not think it was right that Oswald had gotten killed. According to him, the woman was very nervous and both of them finally walked out of the store. He described them as follows:

Cuban male; 20; 5-7; 110; dark hair

Cuban female; 18; 5-0; about 4 months pregnant; long hair

He said he had never seen this couple before and had not seen them since. An office card was furnished Mr. Cogrove and he was requested to contact this office should he see either of them again.

During the week St. Leon Caspell, FBI, called at the office and it was mentioned to him that when time permitted we intended to check the following leads:

The Michoud Plant, as Oswald supposedly told Adrian Alba, Crescent City Garage, New Orleans, that he had filed an application at this plant and felt that he would be hired.

Charity Hospital, New Orleans, as it was felt that Mrs. Oswald might have applied there for free medical care in view of the fact she was pregnant at the time.

Interview Philip Coraci III, 2201 Green Acres Road, as he supposedly had a short conversation with Oswald in the store of Carlos Binguier.

As Oswald had lived for a few days with an aunt, Mrs. Myrrett, at 757 French St., City, phone HN 8-4326, check with a confidential source to determine the LD phone calls made to and from this phone number during the period 5-1-63 to the present time.

Attempt to identify and interview a person who appeared to be a Japanese male, who appears in pictures taken of Oswald, Charles Steele, and an unknown third man, possibly an associate of Oswald.

He said as they had more manpower they might check these leads before we got to them. He promised to notify me of the results if they did get to them first.

On 11-30-63 he advised that the records of Charity Hospital, New Orleans, had been checked and these reflected that on 6-8-63 Lee Harvey Oswald had made an application for medical care for his wife but his request had been denied for the reason he had insufficient Louisiana residence.

He also advised that a contact at the telephone company had informed his office that toll records prior to 7-6-63 had been destroyed. The source had furnished a list of LD phone calls made from or to HN 8-4326, listed as follows:

A confidential source will be contacted in the near future in order to verify that toll records for the phone in question prior to 7-6-63 have been destroyed. Also for the purpose of getting a listing of the toll calls made from 10-27-63 until the present time.

It is advised that the Japanese previously mentioned was probably named O'Hara; that he has an office in the International Trade Corp., but has not as yet been located for interview.

On 12-2-63 contacted a confidential source for the purpose of verifying that toll records pertaining to telephone number Hunter 3-4326 dated prior to June 1, 1963, had been destroyed. The person contacted said he would make a re-check and advise the results.

Shortly thereafter, a phone call was received from our contact and he stated that phoevix had originally checked the records had made a mistake for the reason they had records pertaining to calls made from 4-24-63 to 5-3-63. These phone calls are listed below.

Date November 27, 19631

J. PAT DOYLE, 1107 SE 123rd Avenue, Portland, Oregon, advised that he is employed in electrical construction work for the Charles T. Parker Construction Co. in Portland. In August, 1963, he attended an electrical contractors' convention in New Orleans, Louisiana. He was accompanied by MATT WILSON, who also is in the electrical construction business in Portland. Both men were accompanied to New Orleans by their wives and two children.

At about 4 o'clock in the afternoon of Friday, August 9, 1963, Mr. DOYLE, Mr. WILSON and the young son of each were walking on Canal Street in New Orleans, approximately a quarter of a block behind Mrs. DOYLE, Mrs. WILSON and their two daughters. As they reached a point approximately in the middle of a block, some five blocks toward the Mississippi River from the Jung Hotel, they observed two young men who were carrying signs which bore pro-Cuban inscriptions. They had leaflets in their hands. One of the men wore on his front a yellow or orange-colored sign which bore as part of its inscription, the words, "Viva la Fidel."

As Mr. DOYLE, Mr. WILSON and their two sons reached the scene, a group of persons who appeared to be Cubans took issue with the two demonstrators and almost immediately, police officers arrived and prevented trouble. After a short discussion, the demonstrators were placed in a patrol car by the officers and taken from the scene. During the argument, a placard carried by the demonstrator not wearing the sign was smashed and the leaflets were torn from the hands of the men and scattered on the sidewalk. The pieces of the placard were placed in the patrol car when the men were taken away.

Motion pictures of the incident were taken by JIM DOYLE, 14-year-old son of Mr. DOYLE.

Following the assassination of President KENNEDY, Mr. DOYLE and other members of his family viewed the film taken in New Orleans and were agreed that the pictures of the young man who wore the yellow-colored sign strongly resembled photographs they had seen of LEE HARVEY OSWALD.

 by Special Agents JULIUS A. BERNARD & WILLIAM S. BROWN/djl; mja Date dictated 11/27/63

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

This report is from the Commission's formerly secret 6th file. It was on the desk used by Bernard Gavzer, by-line Associated Press writer and co-author of that agency's syndicated whitewash attacking critics of the Commission the day I took Jim Garrison's man to the Archives. These important pictures of Oswald's literature distribution are not in evidence, not in the files, and the AP apparently considered them and the report of no news value.
