UNITED STATES GOVENMENT emoranuum DATE: July 13, 1967 D. C. Morrell CORRESPONDENCE RECEIVED FROM SUBJECT: HAROLD WEISBERG OF HYATTSTOWN, MARYLAND DATED 7/10/67 BACKGROUND: A letter dated 7/10/67 has been received from the above captioned individual. Weisberg stated he called the Bureau about a month ago requesting a copy of a press release issued on 11/25/66 to which was attached a letter sent to an unidentified newsman. He indicated to date he has not received the material requested. Weisberg apparently has reference to the Director's press release of 11/25/66, copy attached, which emphasized a newsman has expressed concern over the rash of books, articles and statements "creating confusion and doubts about the validity of the findings of the Warren Commission regarding the assassination of President Kennedy." BUFILES: Weisberg is the author of the book entitled "Whitewash--The Report on the WarrenReport." Weisberg's book is a vitriolic and diabolical criticism of the President's Commission, the FBI, the Secret Service, police agencies and other branches of the Government relating to the assassination investigation. It contains inaccuracies, falsehoods and deliberate slanting of facts to fit his own purpose. He was one of ten employees fired summarily by the State Department during 1947 because of suspicion of being a communist or having communistic sympathies. Later, he was allowed to resign without prejudice, but he was not restored to his former position. In 1961, Weisberg and his wife filed a claim against the Government under the Federal Tort Claims Act in the amount of \$9,950 for damages allegedly sustained in their poultry business as a result of low-flying helicopters02 The case was tried, and the court directed judgment in the Weisbergs' favor in the amount of \$750.
