Harold Weisberg v. Department of Justice
USDC D.C., Civil Action No. 2301-70

September 1970

Our memorandum to you dated September 1, 1970 pointed out, inter alia, that the records plaintiff seeks in this action are exempt from disclosure because they are part of FBI investigation files. The correctness of our position has been reaffirmed recently by Judge Sirica. Black v. Sheraton Corp. of America, 50 F.R.D. 130, 132-133 (D.D.C. 1970). We suggest you incorporate citation of this case in the brief in support of the motion suggested in our prior memorandum.

Director, Federal Bureau of Investigation
