Dear Mr. Lesar:

This is in reply to your letter of January 29th, addressed to Mr. Laurence Silberman of the Department of Justice, and thereafter referred to me and received on February 13th.

I wish to state in response to your inquiry that FBI records contain no information to indicate your client, Mr. Weisberg, has been the subject of FBI surveillance. These records further do not disclose any reference to dissemination by us of information concerning him or his criticism of the Warren Commission along the lines you indicated in your letter.

With regard to your request for response to letters directed by Mr. Weisberg to former Attorney General - Marshall, our records reveal a copy of a letter dated March 12, 1969, had been telegraphed to us, it having been acknowledged by the then Assistant Attorney General Will Wilson under date of March 26, 1969. The charges contained in the letter were general and made no specific allegations, and there is no record of further action being taken.

In a second letter, located in files of the Department of Justice under date of March 22, 1971, Mr. Weisberg advised in nonspecific terms that he had suspicions of some ("tailed") in Penn Station, New York. FBI records contain no reference to this letter.

ENCLOSURE

James H. Lesar, Esq.

There are (in our files) two instances of information by Mr. Weisberg directed to former Attorney General J. E. Mitchell regarding alleged "intrusions into his life" that we have been able to locate. As stated by me above, our files contain absolutely no information to substantiate these allegations.

I trust the above will be of assistance to you and
Mr. Weisberg.

Sincerely yours,

Clarence M. Kelley
Director

NOTE: Weisberg has recently reinstated his FOIA request for information regarding the Kennedy assassination related Laboratory work, and the matter is currently in a pending status. Attorney Lesar has been representing him in this regard in the past.

Review of Weisberg's main files and all references since 1963 disclosed no evidence of him being subject of a surveillance nor indication of any dissemination being made along lines he makes reference to.
