WARREN COMMISSION EXHIBITS

In my memorandum of 11/3/66, I reported a telephone call from Mr. Marion Johnson of the National Archives and Records Service. He advised of an inquiry from Harold Weisberg, author of "Whitewash: The Report on the Warren Report" concerning information pertaining to spectrographic examinations in our FBI reports. In view of Weisberg's suspected Communist background, it was recommended that Johnson be advised that the FBI could not be of assistance to Weisberg in this matter. The Director noted "O. K. I assume we have given all exhibits & evidence to the Archives as previously directed by A. G."

Pursuant to Bureau approval, Johnson was advised that the FBI could not be of assistance to Weisberg in this matter.

With regard to the Director's comment concerning transfer of evidence and exhibits to Archives, further reference is made to Mr. Rosen's memorandum of 11-4-66 advising of the prior transfer of available material to Archives and the fact that the assassination rifle together with Oswald's pistol and associated holster had been held in Dallas at the Department's instructions pending adjudication of title and pending receipt of the instant authorization for release. The Director instructed that all such items should be transferred to Archives at once.

This is to advise that immediately following initial receipt of Mr. Rosen's memorandum and the Departmental authorization attached thereto for transfer of the remaining items, Laboratory representatives telephonically contacted Mr. Johnson of Archives to arrange for the transfer at the earliest possible date. Johnson subsequently called back to advise that he could receive this material on 11-8-66. Accordingly, the assassination rifle, Oswald's pistol, and its associated holster were personally delivered to Mr. Johnson on 11-8-66, and an appropriate signed receipt was obtained therefor.
