The Joe Pyne Show which appeared on Washington TV Station Channel 5 from 10-12 p.m., 12/10/67, had among its guests Harold Weisberg, author who has written a number of books highly critical of the Warren Commission. Set forth below is a summary of the data discussed by Weisberg and Pyne:

BACKGROUND OF WEISBERG:

Weisberg is the author of the book entitled "Whitewash-The Report of the Warren Report." This book is a vitriolic and diabolical criticism of the Warren Commission, the FBI, the Secret Service, police agencies and other branches of the United States Government. It contains inaccuracies, falsehoods and deliberate slanting of facts to fit Weisberg's purpose. Weisberg was one of ten employees fired summarily by the State Department during 1947 because of suspicion of being a communist or having communist sympathies. Later he was allowed to resign without prejudice but was not restored to his former position.

[REDACTED]

WEISBERG'S CURRENT ALLEGATIONS:

Weisberg alleged that there are a number of people in high positions in the U. S. Government who know the identity of the individuals who killed President Kennedy but are suppressing such information. He alleged that officials of the Warren Commission, FBI, CIA, and several other U. S. Government agencies are involved in this suppression of evidence.

Weisberg alleged that a Cuban refugee informed the Warren Commission shortly after the assassination that Leon Oswald and two Mexicans had visited her at her residence in Dallas on September 26 or 27, 1963. Weisberg claims the Warren Commission

ignored this woman's information. The woman is [redacted] an anti-Cuban refugee. [redacted]'s allegation was completely investigated and results disseminated by us to the Warren Commission. [redacted] is a mental case and Oswald was on a bus en route to Mexico when [redacted] claims she met Leon Oswald.

Weisberg claimed James Altgens, Associated Press photographer, took a picture at the time the Presidential motorcade was passing the front of the Texas School Book Depository just a second or two prior to the assassination. Weisberg claims this photograph discloses an individual who appeared to be Lee Harvey Oswald standing in the doorway of the Depository building. This is an old allegation made by Weisberg, Mark Lane, and others. The individual standing in the doorway of the Depository building is [redacted] an employee of the building. [redacted] has identified the picture in question as one of him. This has been corroborated by a number of [redacted]'s fellow employees who were beside him at the time the picture was taken. Weisberg attempted to discredit [redacted] by pointing out [redacted] claimed to be wearing a different shirt on the day in question to that depicted in Altgen's photograph. [redacted] has since clarified this statement and has identified the shirt he was wearing in the doorway.

Weisberg claims that just recently he received a call from an unidentified individual who told him Lee Harvey Oswald possessed a "Top Secret Crypto clearance" while in the Marine Corps. The allegation is absolutely false. Oswald never held such high security clearance. He did, of course, hold a clearance for certain classified data which was published in Marine training documents and the like.

Weisberg claims that Oswald was not a communist. He claims that Oswald's communist-like activities and defection to Russia were simply mechanics used by Oswald to conceal his true political feelings. Our investigation of course disclosed that Oswald was highly sympathetic to Russia and Marxism.

OBSERVATIONS:

It was obvious that Joe Pyne, host of the program, was completely unable or unwilling to recognize Weisberg's false statements. As a result, Weisberg had an excellent platform to expound his false allegations and continue his scurrilous attack upon the U. S. Government and its agencies.

ACTION:

For information. We have previously furnished data concerning Weisberg's scurrilous background to the White House and Attorney General.
