Er. Richard Kleindienst Deputy Attorney General The Department of Justico Vachington, D.C.

Dear Mr. Kleindienst,

In the course of my own investigations of the Kennedy assassination I have located and spoken to the owners of two amateur motion pictures of Lee Harvey Oswald being arrested in New Orleans, La., on August 9, 1953, and have evidence of a third person, possibly in an official capacity, also taking pictures of this and the picketing that proceeded it. In all cases, the National Archives reports it does not have the film.

In the first two cases I have been informed that the film was given to the FBI, which returned edited copies. I seek copies of all this film, for which I enclose a DU-11S form and check. Also, all relevant resports except as noted.

One case involves one John Martin, who voluntarily took his enire roll of vacation film to the Minneapolis office of the FBI. The National Archives informs mentioner exists no record in its files of either this Jack Martin or his film.

The second case involves the Doyle family, Mr. and Mrs. J. Pat and son Jim and their friends the Matt Wilsons, of Portland, Oregon. One report of this is in Warren Commission file CD6, page 444. Four others are CD30:6-9. None of these five reports says the film was given to the FBI or returned. Therefore, I assume there are other reports, including of comment or analysis of what the film shows. I would like any and all reports besides those above listed.

Also, various reports in my possession and official descriptions of the professional TV film (WDSU-TV and WWI-TV) in the National Archives disclose that more than the therepwisting prints were made and shown by FBI agents for various purposes, including to
establish the identity of a second man helping Oswald, one other than Charles Hall Steele,
Jr. Mone of these pictures exist in the National Archives. Steele confirmed to me the
existence of this third man and the wrapper of the copy of the WDSU footage at the National
Archives says it shows this person, which it does not. Again there is the presumption of
editing and the fact of the existence of still prints of this other man. I seek copies of
these prints, all relevant reports and access to the unedited footage from WDSU, whose
permission I have. WDSU permitted me to copy the footage returned to them. Johann Rush, the
photographer, says he made 17 prints. The government seems to have obtained this cotage of
two different occasions, from the records I have.

The charges here will exceed the minimum. If you will inform me of the cutra charge, I will send a check.

Sincerely,

Harold Weisberg
