

Dear Mr. Weisberg, <sup>Tue Eve</sup> Dec 13 66

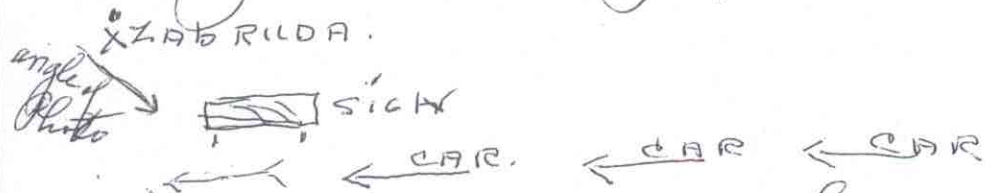

enclosed is my self-addressed  
& stamped envelope for the  
picture you said to send  
for. I purchased your first  
book Whitewash a couple  
of mo. ago. I have also heard  
you on Jack Matkennys  
Nite talk over W.C. & U.  
on Mon. Dec. 12th.

I wasn't too interested in  
Jack's quest, so turned him off  
& by accident heard a  
lawyer on W.P.E.N. I believe  
his name is "Victor Salendria"  
or Salendria <sup>VINCENT</sup>. He was  
talking about J.F.H. & I  
found it interesting.

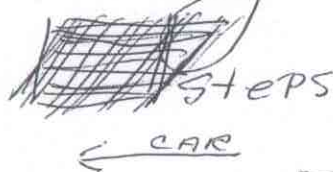

He said the case has  
now been broken someone

has talked in Washington  
& it was a plot all Political  
lies to be on again for  
3/4 of an hour or so more. You  
may have heard him or you  
may know him. I have  
from the very first report  
of L.H. @ arrest felt he was  
innocent & I have never  
changed my opinion on this.  
I've kept some of the news  
papers from Nov 25, 63 - & the  
pictures of the motorcade &  
the assassination shown in  
the Nov 26th paper & to be sure  
a. Gabruder said stated  
some how can't be, as the ones  
shown in Life are going in  
the other direction towards  
where he was standing  
from what I noted in  
the photo in your book

He was standing on the 3  
right of the entrance  
taking his photographs

in my news paper the  
cars are going in the same  
direction but it shows  
steps coming down to SIGN

angle of picture  are from  
the left rear. There must  
be a mistake wouldn't you  
say. of course Mr. Weisberg  
you've seen this I'm sure  
& you must get tired  
talking sometimes  
but I do want to write this

on Nov. 23 my paper reported<sup>4</sup>  
the rifle as a 7.65 roughly  
30 caliber bolt action

Mausser German army rifle  
no spent shells

on Nov 25th they wrote it  
was Italian G.4-M.M.

Carcano bolt action with  
a 4 Power telescopic sight  
& three spent shells.

on the 26th they reported J.F.K.  
hit in head with Dum Dum  
bullet. Picture on Nov. 23,

shows police Lieut. Carl Day  
carrying rifle found in

snipers nest (this rifle  
has a telescopic sight

he is carrying it by a strap  
on bottom of rifle (no gloves  
on either) I noticed:

No, I cannot accept

Thank you for  
taking time to read this  
& for the picture your  
sending

after reviewing what I wrote  
about Vincent Galandra. I failed  
to tell you he has a letter from  
the Editor of Life Pub. plus two  
different copies of Life with their  
films & both copies differ in  
wording & I believe he said the  
film pictures. The letter an ans.  
to me he wrote agrees with  
him, but Editor is at a loss for  
the answer to why it happened  
or as to whome petitioned.

Leis' quilt.

I'm expecting the <sup>"</sup> James Jones <sup>"</sup>  
book and my new et Hooper  
after, I'll read this. I hope  
to order your Whitewall #2  
your first book is a wonder-  
ful one & it has been an  
exhausting piece of work  
on your part to write & gather.  
Good Luck, most  
Sincerely

3.5.  
Looks as if Ruby is  
to get out of his trip yet.  
Someone is afraid he would  
get excited & talk in the  
court. & I'm sure he could.
