Dear Mr. Hoover:

As you know, one of the most important matters being considered by this Commission is the extent to which various federal law enforcement agencies know of the activities of Lee Harvey Oswald before the assassination of President Kennedy. In the course of its inquiry in this regard, the Commission has obtained from each of the agencies concerned a great deal of information.

The FBI has been most cooperative in furnishing its formal reports on Oswald, and in responding by letter or memorandum to certain questions that have arisen from time to time. The Commission has a number of specific questions regarding these FBI materials; for convenience, the questions are set forth in an attachment to this letter. Although some of the questions are, in form, susceptible of a simple affirmative or negative response, the Commission would appreciate instead a reasoned response to each question, in reasonable detail, and with such substantiating materials as seem appropriate.

On behalf of the Commission I wish to thank you and your representatives for your continued assistance to the work of the Commission.

Sincerely,

100-10010-

Mr. J. Lee Rankin of the President's Commission contacted the Bureau and, in the absence of Malley, spoke with Supervisor Rogge. He asked Rogge if it would be convenient for him to be at his office at 2:00 p. m. to pick up a letter which he desired to hand deliver to the Bureau.

Rankin, in delivering the letter, stated that he wanted to point out that he was asking that the letter be personally delivered because if the Bureau had any observations concerning it he would appreciate being called and he would give any of our observations immediate consideration. Rogge stated that Mr. Rankin was most laudatory in his comments and attitude of the Director and the Bureau.

It is noted that the attached letter transmits questions developed as a result of a close examination by the Commission staff of material which has been furnished by the FBI. Rankin indicated that the Commission has reviewed material which has been furnished by other Governmental agencies and that the Bureau, as well as the other agencies, was being requested to submit answers to various questions being submitted by the Commission. The Commission feels that these questions might be raised at a later date and desired these answers for the record.

It is also noted that Mr. Rankin's letter dated March 26, 1964, expresses the Commission's thanks to the Director for the assistance rendered.

The questions relate primarily to the activities of Oswald prior to the assassination and are presently being reviewed so that appropriate answers can be prepared.
