NOTE: Chicago teletype advised an article appeared in the
"Chicago's American" on 5-25-64 under the caption of Daly Diary
written by Maggie Daly. She stated "J. W. Altgens a veteran
AP photographer took a picture of the Kennedy assassination-
one of the witnesses close enough to see the President shot
and able to describe second-by-second what happened-has been
questioned neither by the FBI nor the Warren Commission!"
Daly specializes in gossip and sensationalism and her
reliability has often been questioned.
