Re Dallas telephone call to Mexico City 7/17/64, advising that Mr. VALTER H. CRAIG, President of the American War Association, would be in Mexico City and that in connection with Mr. CRAIG's work with the President's Commission he should be contacted here and extended courtesies. D.C. U

Mr. CRAIG was contacted at his hotel on 7/24/64 following his arrival in Mexico City from Guadalajara. At that time he was most high in his praise of SAC J. CONNOR SWANLEY and Agents of the Dallas Office for assistance rendered him while in Dallas. He advised that he was expecting the arrival in Mexico City of several other members of the American War Association who had been assisting the President's Commission and he preferred to await their arrival before discussing the ramifications of the OSTALD case in Mexico.

The writer again met with Mr. CRAIG on 7/27/64, at which time also were present Mr. LEVIN F. POWELL, President of the American War Association, Mr. CHARLES W. WOOD, Director of the Institute of Columbia, and Mr. EDWARD L. BRUNT. Mr. CRAIG assured that these three men had all been working very closely with the President's Commission and their conversation indicated that they were quite familiar with the OSTALD case.

At the request of Mr. CRAIG the writer gave them a brief oral summary with regard to OSWALD's known movements and contacts in Mexico. Mr. CRAIG and the others expressed their appreciation for the information.

Mr. CRAIG was asked as to whether he and the others would be interested in seeing such places as the hotel where OSWALD stayed in Mexico City, the travel agency where he purchased his bus ticket, and general areas in the neighborhood of the Cuban and Soviet Embassies here. He replied that he did not feel this was necessary. It might be noted that Mr. CRAIG and the others were in Mexico City primarily for the purpose of attending the meeting of the International Bar Association and it was the writer's impression gained from conversation with them that they only desired the oral briefing in order to be in a position to answer any questions which might be raised by members of the President's Commission following the return of Mr. CRAIG and the others to Washington.

Mr. CRAIG and the others appeared to be completely friendly and well-disposed toward the Bureau. The information of particular interest to the Bureau was obtained from them other than the fact that Mr. CRAIG mentioned that the Commission was trying to finish its report by 2/7/64. He expressed a strong doubt that this could be accomplished.

Mr. CRAIG made no additional requests concerning the OSWALD case during the remaining few days that he was in Mexico.
