

CONSERVATIVE VICTORY FUND

Receives United Support from Conservative Leaders

Mr. John Chamberlain,
Nationally syndicated columnist

"Whether America is to survive as a nation depends on the people and their representatives in Congress. I wholeheartedly back the Conservative Victory Fund and its objective of electing conservatives to Congress."

Hon. Philip M. Crane, M.C., Illinois

"Unless we conservatives unite for political action we can expect the unions and COPE to win everytime. The Conservative Victory Fund combats the power of union bosses in a way they understand - by providing political muscle to elect conservatives to Congress."

Mr. J. Alan MacKay, Former National Chairman,
Young Americans for Freedom

"The Conservative Victory Fund is administered by the most responsible conservative leaders in the nation. What better assurance could a contributor have that his money will go directly to electing conservatives to Congress!"

Mr. J. Daniel Mahoney, Chairman,
Conservative Party in New York

"Conservatives are elected to office only by hard work and financial support. The Conservative Victory Fund is the ideal means to finance a candidate for the House or Senate."

Mr. William A. Rusher, Publisher, National Review

"As former counsel to the Senate Internal Subcommittee and as publisher of National Review, I have seen the power and impact of dedicated conservative leadership in Congress. The Conservative Victory Fund is an excellent means of expanding that leadership."

Hon. Albert Watson, M.C., South Carolina

"In my congressional service I have learned there are too few willing to fight for their principles. The Conservative Victory Fund will help to elect conservatives who are always willing to stand firm for principle."

Mr. Thomas S. Winter, Editor, Human Events

"In our weekly coverage of Capitol Hill we at Human Events know the influence the Conservative Victory Fund will have in electing conservatives to Congress. The Victory Fund is a valuable means of putting conservative beliefs into practical political action."

Conservative Victory Ballot

How do you stand on these key election year issues:

Dear Congressman Ashbrook:

I want to **defeat** the Liberals' revolutionary legislative program for the 70's by helping to **elect** conservatives to the Senate and House this year. I have filled in the "Conservative Victory Ballot," and I am enclosing my maximum contribution of \$_____.

(Please make all checks payable to the CONSERVATIVE VICTORY FUND.)

My Name _____
 Mr. Mrs. Miss (Please Print)

Address _____

City/State _____ Zip _____

Special Victory Fund Gifts:

- Enclosed is \$15 or more. Please send me *Battle Line*—ACU's hard-hitting campaign newsletter—from now through the elections.
- Enclosed is \$100 or more. In addition, please enroll me as a Lifetime Member of the American Conservative Union.

About Your Contribution:

The Left—represented by Big Labor, civil rights organizations, and tax-exempt foundations—is ready, willing and able to spend **millions** this year to "buy" elections for their peace candidates. Conservatives **must** be willing to meet this grave challenge or face defeat in November—**and for decades to come**. Don't let the Left win by default! Substantial contributions of \$50, \$100, \$250, \$500, \$1,000 and more are needed along with smaller ones of \$25, \$15, \$10 or less. **Every penny you give**, over and above our mailing costs, will be used **directly** and **exclusively** to help elect **conservative** candidates. So please search your heart and your pocketbook to **give your generous best**. Thank you!

Upon request, a copy of the financial statement as filed with the Clerk of The House will be sent to you showing what candidates received aid from the Conservative Victory Fund.

Yes No

1. Do you favor stronger legislation to curb crime, Left-wing terror bombings, and pornography?
2. Do you favor busing of children to achieve school integration?
3. Do you favor U. S. military **superiority**—rather than **parity**—over the Soviet Union and Communist China?
4. Do you support President Nixon's guaranteed annual income plan for all welfare recipients?
5. Do you favor immediate unilateral withdrawal of U. S. troops from Vietnam?
6. Do you favor increased trade with Communist countries?

[The results of this conservative opinion poll will be released to the press and sent to President Nixon, the GOP national committees, and to all Republican Congressional candidates to show them (a) how conservatives stand on the issues, and (b) that conservatives will support only those candidates who take similar stands.]

NOTE:

If your name appears on more than one of the mailing lists being used by the Conservative Victory Fund, you might receive a duplicate copy of this urgent appeal. If this happens, we sincerely apologize but hasten to explain that the cost to remove internal duplications on these lists is usually prohibitive and often impossible because of production problems. Instead of discarding the copy, you can help our cause by passing any extra copies along to a friend who might also contribute. Thank you!
