Mr. Jack Anderson 1612 K St., NW Washington, D.C.

Dear Mr. Anderson,

I phoned your office about the subject of the enchosed letter to Senator Hart 5-6 hours ago. There has been no callback. I realise this may be because you are not interested, but I send the carbon on the chance you are busier than usual.

You have all the letters refered to and have had then for a year. I gave them and other thing to Chuck Elliott at his request. He was supposed to have returned copies of some court records. We did not and after he left I made several trips to your office to retrieve them, without success. I'd still appreciate them because I can't afford to duplicate them.

Congratulations on a great job very well done. In the long run, this may be more important than your bringing to light the India-Pakistan mess. Remember those importal words on the locked main downway of the Department of Justice? "The Flace of Justice Is a Hallowed Flace"!

Sincerely.
