

Letter 2

Dec 19, 1967.

Dear Mr. W. C. C. :

I sent you a letter today in connection with the Kennedy assassination taking into view the possible thought of the Cross Nation involved in this. I would like to elaborate further on the type article - from a governor (Mc Kitter, La) and a D.C. (Jim Garrison) in open to resign - Page 34-35. Appt. 29, 1967 concerning Mc Kitter and Garrison. I have shown to Carol Maxwell

Garrison's side. I think the
