1993

ASSASSINATION SYMPOSIUM ON JOHN F. KENNEDY

Dealey Plaza will be officially dedicated as a National Historical Landmark on November 22, 1993, and we have adjusted the schedule to allow ASK Registrants to attend this important ceremony. Registrants will find more detailed information about the dedication in their Program Books. Inside this brochure you will note we have designated the changed parts of the schedule marked with a "•" so they can be found easily. The additional panelists and speakers who have confirmed since our last mailing are also added into the list. On the back page, you will find information to facilitate your getting from the airports and some tips on dressing for the weather. On the 30th Anniversary of this international tragedy, more people than ever before will convene at Dallas' Hyatt Regency Hotel at Reunion Square, for four days of all new panel discussions, eyewitness testimony, first-hand accounts and other presentations. Our pre-registrants have already topped last year's final total. Don't forget, the ASK Mart will once again feature a wide variety of displays and merchandise, including many of the newest books in the field, some of which can be autographed on the spot by the author. You will want to be there and we're looking forward to seeing you.

Mr. Mailer is in the process of completing a new book about Lee Harvey Oswald, and is considered to be not only one of the great American writers of the 20th Century, but also one of the most astute contemporary participant/observers of the social, cultural and political events of the past three decades. He was also a co-founder of *The Village Voice*.

The **JFK Assassination Information Center**, founded in 1989, is proud to co-sponsor ASK. The Center is a repository of information and services for researchers, writers, journalists, producers, students and the general public. This group may be small, but much interest has been expressed in having this time to network with each other and learn more about our individual work.

The lunch will cost $30 and reservations need to be made in advance. We have invited lots of interesting women to come, and so far the response has been enthusiastic. Vegetarian options will be available by advance request.

What's the Weather?

In Texas we say if you don't like the weather, just wait a few minutes—it will change. And it's never more true than in November. Although you'll be in the hotel most of the time, large hotel rooms sometimes get chilly or overheated, so jackets or sweaters will help you keep in the comfort zone. Outside, temperatures can range from a sunny 70° to 30° and sleet, so be prepared for any eventuality for the Dealey Plaza events or tours about Dallas.
