Dear Catalog Customers and Friends,

About two months ago, our shop was contacted by A.S.K., a group who were planning a symposium on John F. Kennedy. This group asked us to sell or rent our mailing list to them to advertise this symposium. As many of you know,we have a policy not to give anyone the names of customers, and we would not break our policy for this or any group. However, upon looking at the conference that was to be held, we knew that many of you would have an interest in information on this event. Therefore, we allowed A.S.K. to send material and stamped envelopes and we would mail to our customers. In this way, you would receive the information, without the possibility of your name being sold to any mailing list or organization.

For all of you who attended the conference held in Fredonia, NY (sponsored by the redoubtable Third Decade and Jerry Rose), you know what an incredible intellectual exchange these events represent. To go to Dallas, the source of our sorrow, and yet the place that draws us repeatedly for answers to questions, is truly a unique opportunity. A conference in Dallas allows us to not only hear from respected researchers on this subject, but also to hear from eyewitnesses still in Dallas. We will be attending the conference and will set up at the Book Fair at the Hyatt Regency. Hope to see you there.

Due to our upcoming trip to Dallas in mid-November, the next catalog will be sent in late November or early December. However, we do have a couple of new titles that have arrived.

2001. Vankin, Jonathan; Conspiracies, Cover-ups, and Crimes, Paragon House, 1991. VF/VF. The new release is an objective, comprehensive look at theories about American Conspiracies, including the JFK assassination, Jonestown, CIA's role in KAL 007, role of the Nazis in the postwar world. $24.95

2002. Evans, Monte; The Rather Narrative, self-published, VF, SC original, large spiral bound. Is Dan Rather the JFK Conspiracy's San Andreas Fault? $18.00

293. Hunt, Linda; Secret Agenda, St. Martin's Press, 1991, VF/VF, SIGNED BY AUTHOR. Exciting new book on US integration of Nazi scientists (Project Paperclip) An important work on this American conspiracy. $19.95

Sincerely,

After twenty-eight years, disturbing questions remain unanswered. ASK is your opportunity to ponder those questions and to visit the sites where history was made on November 22, 1963.

The **Hyatt Regency at Reunion Square** is an ideal host for this symposium. The hotel is within four blocks of Dealey Plaza, the Sixth Floor museum, the old Texas Schoolbook Depository, and the JFK Assassination Information Center.

The **JFK Assassination Information Center** is proud to sponsor ASK. Founded in 1989, the Center provides a repository of information to students, researchers, writers, news reporters, producers and the general public. It's 3,000 square-foot display and theater area features a fascinating collection of evidence in the murders of President Kennedy, Officer J.D. Tippit and Lee Harvey Oswald, including films, newsreels, audio and video tapes, artifacts, government documents, books and publications.
