## IudgeReportedly Used Electric Cattle Prod

SAN FRANCISCO, Aug. 30, W. Geiler, 58.

-A state judicial commission has called for the re-peared from behind a filing moval of a Los Angeles judge cabinet in January, 1971, in his it says used obscene language chambers and jabbed the prod and, in one instance, employed into a public defender's butan electric cattle prod on a tocks. The report also accused public defender to persuade Geiler of obscenely repri-

Tuesday urged the California specifying the alleged use of Supreme Court to remove obscene language and vulgar Municipal Court Judge Leland behavior.

The report said Geiler aphim to change his client's plea. manding female court clerks The commission report and contained nine findings
