LEE HARVEY OSWALD  
IS - R - CUBA

Enclosed is one copy of a letter from Central Intelligence Agency (CIA) dated 5/11/64, CIA file CSCI-3/781,172, and the enclosure to this letter. These are being furnished for analysis and review by your office. Data contained in the CIA enclosure should not be included in any of your reports concerning Oswald, but should be set out in cover pages of your reports where pertinent along with statements bearing upon the significance of the item concerned. In the event you have questions concerning any of the data in the CIA enclosure or desire further investigation by CIA regarding certain of the data, advise the Bureau and specifically request the Bureau to contact CIA in such matters.

The data furnished by CIA should be of assistance to your office in any future interviews with Marina Oswald concerning various items appearing in her address book. This data should also serve as a cross-check on the reliability of the information furnished you by Marina Oswald.

You should not, of course, reveal to Marina Oswald or any other individual data furnished by CIA in regard to any entries appearing in Oswald's address book. If at some future date you feel it desirable to confront Marina Oswald in connection with statements she might make regarding entries in her address book and desire to use data furnished by CIA, specifically request the Bureau to obtain clearance from CIA to use such data as desired.

further information regarding these individuals named in the address book. The letter from CIA and its enclosure contain the results of its inquiry into this matter. Inasmuch as CIA has requested the Bureau not to furnish any CIA data directly to the Commission, we are not including such data in our reports concerning Oswald. CIA has indicated in the letter that it has made its own dissemination to the Commission.
