

Security Measure to Protect the President, Report on; S.A.Stern, 2/17/64 101pp

2ff LHO Marines chronology. Selective in both content and formulations.

4-5 Tends to confirm that he had N.O. lawyer or another. Dean Andrews told me this was one of LHO's reasons for looking Andrews up.

State Chron follows. Big gaps, jumps.

10ff FBI chron. Begins 4/27/60.

11 Secret Service records disclose FBI checks on LHO FBI records do not show. Also 18. No interest by FBI in LHO's return of 6/13/62 even though notified of it 6/4/62. 6/22 reported to FBI by Holland-American line, INS.

21 Biased version of Martello slip story favoring FBI.

24 FBI's ref to CIA report indicates CIA had source inside Russian Embassy.

26 FBI NYC had NO FBI report not given to WC.

30 FBI keeping secrets from Secret Service on LHO's alleged "subversive" contacts.

+++

33-5 Entire CIA part missing except for heading and first date, 12/9x 9/60 Bottom page masked. No page numbered 34 here. No number top 35. Bottom stapled to blank page. Only think not omitted is citation of last source, CD347. INS section fols.

36 INS skims has no LHO interview but FBI says CD9:10 INS inspector interviewed LHO on 6/13/62 arrival. Seems limited to citation of what is in Marina file INS.

42ff Measures Taken Before Dallas Trip

49ff Publicizing the Motorcade Route. Less than complete and honesty recap.

50-1 Stevenson incident. Omits Denton threat.

57ff Motorcade-organization.

64ff Assassination. False accounting re shots, etc/

74 Says Siebert, O'Neill joined SS when AF1 landed.

80ff Recommendations has long list questions of FBI, some very good, still unanswered. Some marked by me. Among the indications, early, are of the WC's need for all FBI LHO files. Awareness of "internal mail covers." WC staff to interview all FBI's involved. Never happened.

88f LHO as agent, questions of to dos.

90 Recommends taking testimony from Hudkins, Goulden.

Clearly apparent is that from the first there was executive agency withholding from the Commission and that to a sufficient degree it was aware of this.

Some of the errors can be attributed to this and to lack of knowledge for other reasons but not all. Nor all omissions.

Other FBI reports and one by INS were known and almost three months after the crime still not in WC possession. Hudkins and Goulden had not been interviewed and the recommendation that they be is timid at best.

The inherent incredibility of some of the FBI's story was perceived.
