

OFFICE OF STRATEGIC SERVICES

INTEROFFICE MEMO

FROM: Norman L. Crowley *NLC*

DATE: October 15, 1942

TO: Mr. William A. Kimbel *WAK*

SUBJECT: Nazi Propaganda in Chile

In connection with the material which we found in a file cabinet in the Apex building on the above subject, we did not make a detailed list of the contents of the envelope. The contents was varied. It consisted of photographs, photostats of letters, photostats of maps, etc.

In connection with the delivery of this material, we wrote a letter to Mr. Weisberg, as per the attached copy. We instructed our courier to get Mr. Weisbergs' signature and acknowledgement on the copy of the letter. In addition, we also wrote right on the envelope, "To be delivered only to addressee", and called this to the specific attention of the courier.

In spite of this, when the courier arrived at Mr. Weisbergs' apartment, he found a note on the door saying that Mr. Weisberg was out and to go down stairs and see Mr. Weinstein in a shop and to deliver the material to him. The courier found Mr. Weinstein and upon delivering the package to him Mr. Weinstein signed the regular Registry Office Receipt and gave to our courier a receipt written in Mr. Weisbergs' handwritting which reads as follows:

Received of Mr. Crowley, O.S.S. envelope containing various data on Chile & certain activities in Chile.

Harold Weisberg

Our courier then proceeded with Mr. Weinstein to Mr. Weisbergs' apartment. Mr. Weinstein had a key to the
