Dear Mr. Weisberg,

Enclosed is the carbon copy of your letter to Mr. Donahue. Thank you very much for the introduction. I have already written to him.

I realize your pressure for time, so I will keep this short. The Committee is growing quickly, the only real problem being money, but you know of that much better than I. I will look forward to hearing from you again, and I thank you for all that you have done.

Sincerely yours,

Steve
