

10/11/67

Dear Steve,

Heard from Parallax this a.m. First copies of O In NO now coming off bindery. We will confer by phone soon on where and when I'll go. Tentative pub date will be about 11/1 and it is about then that I'll start on the trip. Therefore, 11/15 seems like an ideal date for the Associated Students, if they will.

I'll not be able to write the others for a few days, so I'd appreciate it if you would tell them. In planning for what I can do, I hope there will be time for us to get together and go over what I have that is new, for I'd like to inform you, Maggie, Bill, Ray (if he is back), Lillian, etc.

Wholesalers in SF and LA will stock this book. Please let me know how many you would like and I'll arrange for you to get them and a few for me to give out when I'm there. You'll be able to get them faster from the wholesaler. Please give me a number and I'll do the rest. Then you'll be able to pick them up.

If there is anything ~~any of you~~ wants me to do, please let me know. I'll be pretty bust between now and then, for besides working and getting ready I must try and get our home in liveable condition for my wife.

Best regards,

Dear Hal,

This to Steve Burton, please check with my friend John (who believes the phrase that the only good Republican is a dead Republican). I'm dropping him a short note also. Nothing else new.
